

PCB Mobile Banking Self Enrollment

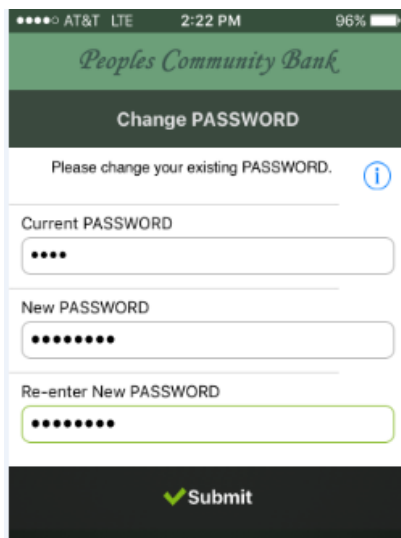

Once you receive your Netteller ID and temporary password from your Peoples Community Bank representative you may begin the PCB Mobile Banking Self-Enrollment procedures.

First, you will need to download the Peoples Community Mobile Banking app from the iTunes (Apple) or Google Play (Android) stores.

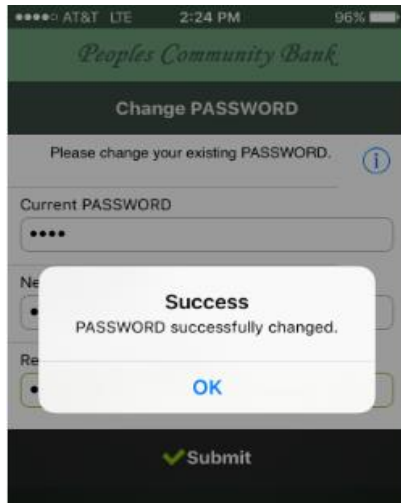

The Peoples Community Mobile Banking App icon will look like this

Open the app to the login page and enter your Netteller ID and password. Then select Login.

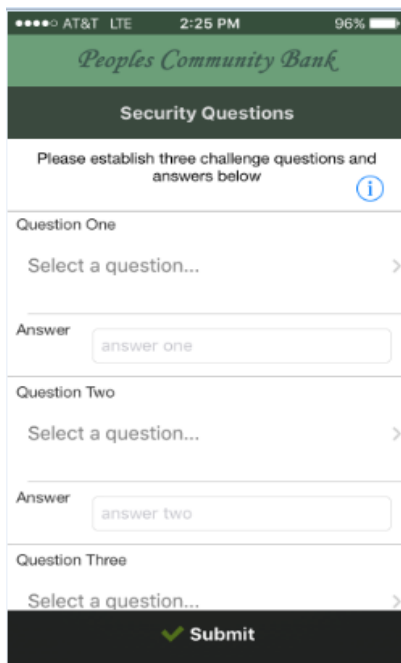

Enter your temporary password and then create a new password. The password must be 8-25 characters and must contain numbers, letters and special character. Then select Submit.

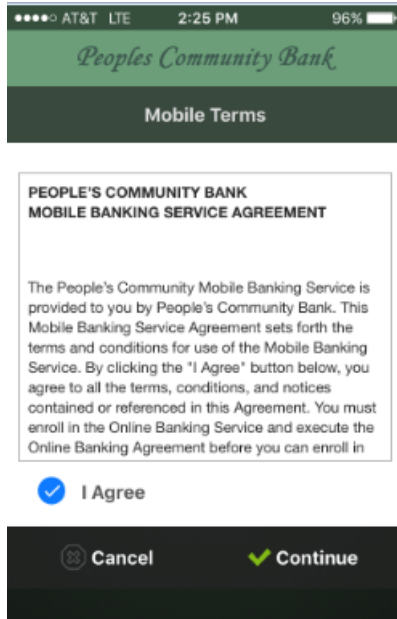

Select OK to process to the next section.

Next section you will select 3 questions and answer them.

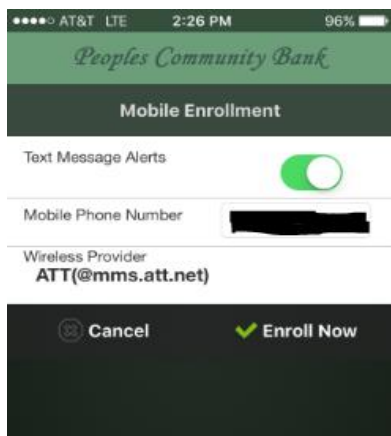

Once you have completed, select Submit.

The next section is the PCB Mobile Banking Service Agreement.

Select I Agree and then Continue.

Choose if you would like to receive Text Message Alerts or not.

Enter your Mobile Phone Number and select a Wireless Provider.

Then select Enroll Now.
